## Dial A Story - Now with a Chapter Book Option!

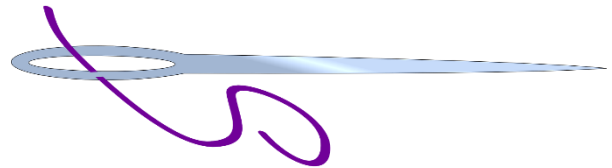

Have you tried out Dial-A-Story yet? Every month, try out a new selection of children's stories that you can listen to from your phone at no cost. January stories include some of Aesop's fables, a Frog and toad story by Arnold Lobel, The Book with No Pictures by BJ Novak and more.

The library is now working with the Kirksville Rotary Club to share a new chapter book each month. Our first chapter book with Rotary Club will be White Fang by Jack London, which you will be able to listen to in sections on Dial A Story. To listen to any of our Dial A Story selections, dial 660-234-9599.

## February Craft Kits

After handing out more than 500 total craft kits for children in December, we will be taking the month of January to prepare our next craft kits. Be looking for our next craft kit distribution for kids on Saturday, February 13th.

# Teen Times

## Teen Craft Kits in Early February are Not Imposters

We keep looking through the building hopefully, but there hasn't been a teen sighted in the library in quite some time. Frankly, we think it's a little sus. Mr L is working to prepare Among Us themed Teen Craft Kits. Kits will include a sewing project and only be available for ages 13-18. There will be a limited number of kits, which will be offered first come, first served (sorry, no reservations allowed) on Saturday, February 6th.
