READ	CREATE	LEARN	PLAY
Books, comics, magazines, audiobooks, ebooks - they all count. Try a genre or format you haven't tried before.	Make, draw, write, sculpt, design, bake, garden, construct, etc. Do something creative.	Read a how-to book, learn from a YouTube video, go to a museum, try a new recipe, explore an interest, read a non-fiction book. You choose.	Have fun inside or outside. Go on a walk, ride a bike, have a picnic, play a video game or board game. ZOOM a friend or relative. Choose what brings you joy.
