

Subject: Duncan Public Library Board Meeting
Date: Tuesday, January 25, 2022
Time: 9:30 am
Place: Duncan Public Library, 3785 N. Hwy 81, Duncan, OK 73533

1. Call to Order with flag salute and prayer.
2. Read minutes from December 28, 2021, meeting. Consider approval.
3. Presentation of library claims for December. Consider approval.
4. Director's report
 - a. Library statistics
 - b. Genealogy library info
 - c. Accomplishments and challenges
 - d. Upcoming programming and plans
5. Review of 2022 schedule of meetings.
6. Consider list of withdrawn items. Library staff recommends the listed items be declared surplus and be donated to the Friends of the Library for resale, and the funds be used to support the library.
7. Consider making February fine free.
8. Consider 2022-2026 strategic plan document.
9. Old Business
10. New Business
11. Comments
 - a. By the library staff
 - b. By the library board
 - c. By the public
12. Adjourn

Duncan Public Library
Claims for December 1 through 31, 2021
Submitted to Library Board, January 25, 2022

01-11-521100	<i>Repair & Maintenance</i>	
21-3723	Amy Ryker.....	\$52.33
	Reimbursement for hasps, locks, bleach	
01-11-521400	<i>Materials & Supplies</i>

DUNCAN PUBLIC LIBRARY

2022-2026 Strategic Plan

Mission and Vision

The Duncan Public Library connects people with ideas and supports lifelong learning.

The mission of the Duncan Public Library is to provide its patrons with both traditional library services and other options, which are largely based on applied technology. As the library works to accomplish its mission, it will connect people with ideas, support lifelong learning, encourage recreational reading, and stimulate children's reading. The mission tools include reliable information sources, a well-rounded book collection, and innovative programs. Mission success will result in a community which is more literate, better informed, and more culturally aware.

Primary Areas of Focus

Programming and Services

The library will strive to provide programming and services that are relevant and needed by the community.

Collection

The library will strive to provide a well-balanced collection that informs and entertains the spectrum of patrons in our community.

Building and Outdoor Spaces

The library will strive to provide a safe, comfortable place for people to gather.

Staffing and Resources

The library will strive to deliver excellent service to all patrons, obtain relevant training, and seek out new resources.

Technology

The library will strive to maintain up-to-date technology and fulfill patron technology needs.

Marketing and Outreach

The library will strive to create community partnerships and spread the word about the library through many avenues to ensure as many people as possible are informed.

Demographics and Background

We service seven counties: Carter, Comanche, Cotton, Garvin, Grady, Jefferson, and Stephens. The library itself is located in Stephens County, which is considered the primary service area. Stephens County has about 43,000 residents, with about 23,000 in Duncan. Stephens County's 65 and older population is greater than the Oklahoma average and is less diverse at about 80% white. The Hispanic population is next highest at 8% (over 11% in Duncan alone), then Native American at 6%. The percentage of people under 65 with a disability or no insurance is higher than the rest of Oklahoma. We also have higher poverty rates and lower in-home computer ownership and Internet access rates than Oklahoma overall.

A community environmental scan determined that other than a few scattered Redboxes and a used bookstore or two, we have no local provider for books or DVDs. Other places in town offer arts, crafts, and other things during certain parts of the year, often for pay or as special events. We are the main provider of free, year-round events. We are competitive with the few local copy and fax services and are the primary free public computer access, although several places offer WiFi access now.

Discussions with staff members, board members, city leaders, and citizens over the last couple of years have helped clarify important challenges and needs. As in the last plan, we never regained the three staff members we've lost since moving into this building, and now we are down two part-time as well since the pandemic began in March 2020. In 2017, most nights still had three members on staff at nights and Saturdays. We are down to two per night and Saturdays.

The primary problem in current years, of course, is that we are in a long-term pandemic. We were already in a world where studies showed that overall library use in the US had declined by about 25% in the last decade, prompting libraries to be constantly reinventing themselves, most recently accepting a role as community gathering place. But even this perspective was turned on its head by the pandemic. Most libraries in most states are sharing similar issues with staffing, funding, and difficulty with checkouts and program attendance.

Currently Offered Services and Strategies

We already offer a fairly wide variety of items and programs, including: Regular print books, large print books, audiobooks, Spanish language books, interlibrary loan, printing, copy services, scanning, fax services, public computer and internet access, notary services, technology help, children's computers with educational games, children's programming, adult programming, Minecraft, meeting rooms, citizenship resources, teen volunteer program, art closet, and StoryWalk. Online services through our website or various apps, including Oklahoma Virtual Library, Mango, AtoZDatabases, Brainfuse resources, genealogy resources, Hoopla, and more. We stock Little Free Libraries around town as well. Our branch, the Stephens County Genealogy Library provides access to genealogy resources, computers, research help, and a Memory Lab.

Currently, we send articles to both our local papers every week and purchase yearly or bi-yearly ads in community calendars and high school papers or yearbooks. We occasionally get to be on the news for bigger events or projects and have even been featured in the Lawton paper a few times. We have an active Facebook page and Instagram. We post in local groups, produce internal documentation and signs, along with the newsletter, which is distributed by email, mail, in-house, and online in every media we have.

Plans and Outcomes

Programming and Services

- The library will continue to provide children's programs weekly and Summer Reading Program every summer.
- The library will pursue collaborations with other government entities and community leaders and groups to provide services, workshops, and training to adults.
- We will partner with the Department of Human Services to have them embed a worker at the library at least once a week to provide social services.
- The library will perform one themed public survey a year to better ascertain the needs of the community.
- The library will produce one teen-focused program or craft 10 months of each year.
- The library will explore Makerspace options to expand Makerspace to a wider age group and broader interests.

Collection

- The library will continue weeding according to the CREW method and replenishing sections with new information and entertainment.
- The library will develop a graphic novel section for adults.
- The library will develop an audiobook collection in the Spanish section.
- The library will expand the Library of Things to include many other kinds of useful and entertainment items, such as games, sewing equipment, fishing equipment, and much more.
- The library will continue to creatively advertise and write articles about the collection to inspire interest.

Building and Outdoor Spaces

- The library will continuously work to solve roof, AC/boiler, and other similar problems.
- The library will make ceiling repairs necessary.
- The library will create a garden-sponsor program wherein local businesses can sponsor a pot of plants maintained by Think Ability.
- The library will complete parking lot changes at both locations, creating more accessible handicapped parking and usable ramps.
- The library will evaluate layouts inside to ensure wheelchair access throughout the building.
- The library will explore options for the balcony, including replacing windows, reinforcing balcony, and providing a cover.
- The library will make repairs and repaint throughout the library, focusing on signage and areas of disrepair. Teen and children's sections will take priority, followed by stairwells, then other areas.
- The library will explore options for creating a mural on the bare north side of the library.

- The library will make improvements to back building, including roof/ceiling repairs, full paint job outside, ventilation improvements and fire compliant doors.
- A bookdrop will be installed at the Genealogy Library.
- The library will explore the option of obtaining a generator for power outages.
- The library will explore the option of providing a playground on the land behind the parking lot.

Staffing and Resources

- The library will obtain CPR training every 3 years.
- The library will obtain active shooter training.
- The library will obtain fire extinguisher and exit training.
- The library will obtain more training on de-escalation techniques, sensitivity training, and resources for the homeless.
- We will continue monitoring and maintenance of our security system, panic buttons, and outdoor lighting situation to ensure a safe environment.
- The library will explore new ways to improve our processes, including with circulation and cataloging systems, to ensure patrons get the best service as quickly as possible.

Technology

- The library will move to cloud services through TLC. This will provide the ability to expand circulation services to the Genealogy Library and at popup locations. This will also save money long-term by eliminating the need for expensive hardware and will reduce risk of information loss onsite.
- The library will explore self-checkout options for one self-checkout.
- The library will explore RFID technology options.
- The library will utilize E-Rate, LSTA grants, and other resources to upgrade and provide new technologies.
- The library will repair/refresh the BEAM Interactive floor, Promethean board, projectors, presentation equipment, and conference equipment.
- The library will change website platforms and create a much more user friendly experience, focusing on easy mobile access.
- Evaluate intercom system and explore options for announcements.
- The library will obtain hotspot technology for checkout.

Marketing and Outreach

- The library will expand reach to papers in the smaller communities we serve, radio features for larger events, and restart sending slides and ads to any local channels and DTV.
- The library will create instructional videos to explain services and expand online outreach to video platforms.

- The library will participate in at least one town-wide event yearly.
- Once we are cloud-based, the library will develop a “popup library” kit so we can be an easy presence at events where we can create library cards and allow checkouts.
- The library will deliver books to the Genealogy Library every two weeks for checkout to spread access to other parts of town.
- The library will install one little free library a year in a local park, city lake, or sponsored partner’s business/home.
- The library will explore the option of a second StoryWalk in town.
- When safe, we will resume storytimes at local elementary schools.
- We will begin a program to Zoom with at least two teen classes per year, to discuss our resources and programming.
- The library will talk with at least two local clubs a year to spread the word and develop partnerships.
- Communities we will be extending more service to: Hispanic population, disabled or specially abled communities, older communities (homebound and nursing homes), and prisoners.
- We will continue the student card program with local schools.

Appendix: Long-Range Plan FY2017-2022

See attached for previous long-range plan.

Duncan Public Library-The Information Place

Long Range Plan

FY 17 to FY 22

Duncan Public Library Mission Statement:

Duncan Public Library connects people with ideas and supports lifelong learning.

Duncan Public Library Vision Statement:

Mission success will result in a community which is more literate, better informed, and more culturally aware.

Background:

A survey of board, staff and citizens discussed challenges that currently face us. We are more understaffed than when we wrote our last 5 year plan. We lost one full time staff member in 2016. We are down 2 full time staff members since 2005. In the meantime our traffic, programming, and services have increased, plus we are covering twice as much floor space with the move to this site. This has created security concerns. We have utilized present staff more efficiently with combining job descriptions and outsourcing much of the technical processing. We need to add additional personnel to help our patrons navigate information stored in digital formats; and extend services to patrons located on the East side of town. In addition, we have one evening with only two staff members on duty and it is hard to secure the building and close at 8:00 with only two.

- **The Library will hire at least one more part time person**

Due to budget restraints, we have been unable to replace Brenda Strong, our full time cataloger when she retired in February of 2016. Her job was split 3 ways with Maria Diaz cataloging the adult materials, Lynn Thacker cataloging the children's materials and director, Jan Cole, ordering adult media and receiving all orders. None of these employees receive compensation for the extra duties and this shortens their availability to work on the desk. I will continue to ask for more personnel. Another part time person would free the full time people to work longer in the offices and give us 3 people on Thursday night.

Security

We have increased our security cameras and added monitors on all three front circulation desks. Right now we only have two people manning the desk so we use the third computer for a security monitor.

Outside lighting has been greatly improved with new LED lights on the outside of the building and 3 new parking lot lights have been installed.

The back door is locked at 5:30 pm each evening so that people have to come in to the front entrance. New doors have been installed so patrons can exit from any door.

Our phone system is antiquated and semi operational. We cannot access voice messages, use the menu tree, and we only have 12 lines when we need 14.

To address these concerns:

- We will increase security cameras.
- We will hold staff training on a yearly basis in March to cover the events of tornado, fire, or active shooter. Additional training will be added if needed.
- We will upgrade our phone system
- We will add security cameras to the outside of the building. Number and placement to be determined.
- A new phone system has been ordered with 16 phone lines and all the features we need. Two phones will be cordless.
- I will look into installing a panic buzzer at the front and back desk to be used in case of an emergency.

Extending service to the East side of town:

We have worked with Daisy Lawler to get the Elm Terrace Library operational and continue to help her stock it by ordering books for her as requested with grant money she has received.

We have 4 Little Free Libraries in various parts of town. One is located at Hillcrest Park, another at the Chickasaw Housing 2414 Harris Drive, at Stephens United Methodist Church at 904 West Stephens Avenue and the Stephens County Genealogy Society at 301 N. 8th and Christians

Concerned. Friends of the Library keep the boxes stocked with donated books. As part of an Eagle Scout project two more Little Free Libraries will be installed: one in a residential area and one at Centennial Park. In addition, two other citizens have built and placed some in their yards. We will continue to look for opportunities for library outreach.

Results of the Survey

A survey of library services was conducted the first 3 weeks in February of 2017. Overall, patrons, staff and Board were pleased with the library facilities and services. The most frequently noted concern was the lack of consistent heating and cooling within the building. The second most noted response was a request for longer hours, even Sunday afternoon hours.

Respondents were pleased with customer service, collection, programming, and online services. Criticisms included the many sub collections within the children's collection. Patrons preferred the books to be shelved together, not in so many categories, and a more streamlined look.

The biggest surprise to us was the lack of general knowledge about services we offer. Many suggested programs or ideas already in place; therefore we will market even more aggressively.

Our in house flyers, Off the Shelf Newsletter, Facebook posts, and word of mouth seem to be the most effective way to disseminate information about the library.

- We will make a series of You Tube videos explaining library services and upcoming events to link to our web page and our Facebook page. These might last only a minute or two.
- We will add a TV monitor advertising programs by the circulation desks to show a rotating display of services or informational videos.
- We are working with a HVAC service company to get the heating and cooling system aligned and we will put a maintenance contract in next year's budget so that the heating and cooling will be reliable.

At the time, we are unable to add staffing or add more room for programming and meeting rooms. We are currently in negotiation to add a roof for the patio area so that that can be utilized for some programs in the spring, summer and fall. There are structural problems with the way the patio has been connected to the building so it may take tearing out the old patio and then designing and building a patio roof.

- We will get the roof fixed properly so that it doesn't leak.
- We will look into building a patio cover so that we can utilize the balcony.

We have updated our digital resources to include Financial Ratings series and are adding Hoopla, a digital streaming database where patrons may check out eBooks, audiobooks, stream movies, comic books and music.

Due to customer request, we will be adding some genealogy programming from the Oklahoma History Society.

- We will add one more adult speaker/program per month. Schedule it on a Tuesday evening if at all possible because users surveyed preferred that night.
- We will conduct an adult Summer Reading Program this summer to encourage adult participation.
- I will speak to at least one civic group a year to promote the library's use.

Technology Goals:

We are a part of the libraryedge.org focus group to survey and bring our technology in alignment with national norms.

- We will continue to update our technology on a rotational basis.
- We will complete the Impact survey this fall to see how use of our software is impacting our community.
- We will endeavor to teach more adult programming such as coding, database use, photo editing, photo apps for phones, and genealogy searching.
- We will hold at least two technology training sessions per year for the staff.
- We will make some You Tube videos to explain how to use different databases we subscribe to and post them on our Facebook page.
- Through professional meetings and reading, we will stay up to date on technology in libraries.

Duncan Public Library
Board of Directors Meeting Minutes
Tuesday, December 28, 2021
Location: Duncan Public Library, 3785 N. Hwy 81, Duncan OK

Board Members Present: Jo Ann Pierce, Brendhan Fritts, Geoff Johnson

Others Present: Amy Ryker, Library Director

I. Call to Order, Flag Salute, Prayer

- A. Meeting called to order at 9:30 am by Jo Ann Pierce.
- B. Flag salute led by Geoff Johnson. Prayer led by Jo Ann Pierce.

II. Reading of Previous Minutes

Minutes for November 23, 2021, meeting were read. Geoff Johnson moved to approve minutes as is. Brendhan Fritts seconded. All approved.

III. Presentation of Library Claims

Claims for November were reviewed. Brendhan Fritts moved to approve. Geoff Johnson seconded. All approved.

IV. Director's Report

- Amy Ryker presented the library statistics for November.
- Genealogy info: Jan. 5 Brown Bag meeting will cover weeding out research clutter.
- Accomplishments and challenges discussed: City of Duncan logo and employee appreciation; shout outs to Chickasaw Nation and Betty Greer for the after school program; Hestian money and patron donations used to purchase log stools in children's department; Art Closet is complete; newsletter format-invited board members to submit yearbook photo for newsletter; partnership with DHS starts January; wifi tracking issues with Aruba; routers still needed for E-Rate project; awaiting response from company to fix bookdrop; pergola/garden ideas.
- Upcoming programming and plans: Bullet journaling with Jessica; StoryWalk update; kite take-home crafts; Bookopoly reading challenge.

V. Consider review and approval of updates to Collection Development policy in the Duncan Public Library Policy Manual.

Updates to Collection Development policy were reviewed. Brendhan Fritts moved to accept the corrections and additions as presented. Geoff Johnson seconded. All approved.

VI. Old Business

No old business was discussed.

Duncan Public Library
Board of Directors Meeting Minutes
Tuesday, December 28, 2021
Location: Duncan Public Library, 3785 N. Hwy 81, Duncan OK

VII. New Business

No new business was discussed.

VIII. Comments by Staff, Board, or Public

Brendhan Fritts made note of support for the garden ideas presented. All agreed. No other comments were made. No public was in attendance.

IX. Adjournment

Geoff Johnson moved to adjourn. Brendhan Fritts seconded. All approved. Adjourned at 9:56 am.
