## Hotspot Lending Policy

A hotspot is a wireless device that can be used to connect to the Internet through a mobile-enabled device such as a laptop, smartphone, or tablet. Hotspots provided by the Duncan Public Library are for the purpose of providing individuals in the community with high-speed Internet access outside of the library.

Hotspots can be checked out only by those who meet the following criteria:

- Borrower must be an adult Duncan Public Library card holder (18 or older)
- Borrower must have a card in good standing (no overdue/lost materials, no fines/fees)
- Borrower must have had a card for at least 30 days.
- Borrower must sign a Hotspot Checkout Agreement Form.

The following rules apply to borrowing a hotspot:

- Borrower must present their library card to check out a hotspot.
- Hotspot checkout is limited to one per household. After hotspot is returned, a 24-hour waiting period applies before a hotspot can be checked out to a person in that household.
- Hotspot can be checked out for 7 days. No renewals or reservations.
- Hotspots are available on a first-come, first-served basis. The Library may refuse service to patrons who abuse equipment or who repeatedly return materials late or damaged.
- Borrower must not loan hotspot to another person.
- Hotspots must be returned inside the library at the circulation desk to a library staff member. Do not put hotspots in a book drop. Borrower will be held responsible for damages if hotspot is returned in book drop or left unattended.
- Hotspots must be kept in a temperature-controlled environment and away from moisture. Do not leave in vehicles or otherwise extreme temperatures and do not expose to liquid. Borrower will be held responsible for damages.
- SIM card must not be removed for any reason.
- All components must be present upon return for the item to be considered checked in. Borrower assumes full responsibility for cost of repair or replacement in the event that the hotspot is stolen, lost, or damaged. Library staff will assess the technological issues and charge accordingly. Missing parts will result in the following charges:
  - Hotspot: \$75
  - SIM card: \$5
  - Battery: \$20
  - USB cable: \$15
  - Case \$15
- Unreturned hotspots will accrue a fine of \$5 a day until the full replacement cost is reached. The day the hotspot becomes overdue, service will be cut off, rendering the hotspot useless, and the borrower's library privileges will be suspended.

- The library is not responsible for information accessed using this device or for personal information that is shared over the internet, or for any liability, damages, or expense resulting from use or misuse of the device, connection of the device to other electronic devices, or data loss resulting from use of the device.
  - The following behaviors are strictly prohibited and can result in the permanent suspension of hotspot privileges:
    - Three late returns for any device checkout, or not returning a device.
    - Use of the internet in any way that violates federal, state, or municipal laws.
    - Any use of the device for illegal purposes, unauthorized copying of copyrighted materials, or transmission of threatening, harassing, defamatory or obscene, or viewing, displaying, or disseminating materials that are judged in accordance with current legal definitions as being obscene.
- Note: Illegal usage may also result in possible notification to law enforcement.

## Hotspot Checkout Agreement Form

I have read the Duncan Public Library Hotspot Lending Policy.

I understand that I am responsible for returning all items associated with the hotspot in good condition and on time. If items are not returned accordingly, I agree to pay the corresponding fines:

- Hotspot: \$75
- SIM card: \$5
- Battery: \$20
- USB cable: \$15
- Case \$15

I understand that three (3) late returns means removal of my hotspot privileges.

I understand that violating any of the rules could result in suspension of my hotspot privileges or even notification to law enforcement.

# Circulation Policies

## Getting a Library Card

Having a library card with Duncan Public Library provides the cardholder with access to all physical materials that can be checked out and all online content on the Duncan Public Library and Stephens County Genealogy websites. Library cards are good for 5 years before requiring renewal.

## Adult Applicants

Adults who apply for a library card must meet certain criteria to be approved.

- Must be 18 years or older.
- Must be a resident of Stephens County or the surrounding counties: Carter, Comanche, Cotton, Garvin, Grady, or Jefferson. Residents outside of Stephens County must pay a one-time fee of \$25.00 per family to obtain cards. For good cause, the library director may waive the library fee.
- Must show:
  - Driver's license or other photo identification
  - Any item showing name and current address, such as: Rent receipt, lease agreement, printed checks, utility bill, recent postmarked letter, etc.

Note: Even if the photo ID includes the current address, another form of proof is required.

The patron will be responsible for all items checked out on their card and all fines incurred on their card, and for items and fines on any card for which they are the responsible party. Patron must immediately notify the library if their card has been lost or stolen or any information has been changed, such as an address, phone number, or email. The library is not responsible for any consequences of failing to notify the library of changes.

## Child Applicants

Children who apply for a library card must meet certain criteria to be approved.

- Must be between **five** and 17 years old.
- Parent or guardian must sign the child's application.
- Parent or guardian must have a current, in-good-standing Duncan Public Library card.

The child's card will be registered under a parent or guardian, who will be referred to as the "responsible party." The responsible party is responsible for all items checked out on the child's card, as well as any fines or charges on the card. The responsible party must notify the library immediately if the card is lost or stolen or if any information has changed. The library is not responsible for any consequences of failing to notify the library of changes.

The signature of the responsible party acknowledges full responsibility for library materials checked out to the child. The library will not act in loco parentis, in keeping with the principles of

equal access to information and materials for all patrons. Therefore, the library will not restrict any patron, including children, from access to any type or class of materials or from any information in the library. If a parent or guardian does not wish their child to have access to particular materials, the parent or guardian will need to discuss the restrictions with the child in the context of their parent-child relationship.

**Note:** Under certain circumstances, the director may issue a child card to a person 16 years of age without a parent or guardian's signature as long as that person has a valid ID and fulfills the rest of the requirements for obtaining a card. The limit for checkouts on this card will be 5 items.

## Duncan Group Home & Think Ability Patrons

A library card can be issued to residents of Duncan Group Homes and Think Ability staff. The group leader must confirm the patron's address. These patrons will have a limit of two items checked out at a time.

## Online Only Cards

Online-only cards can be issued to patrons **five or older**. Children do not have to be attached to a parent or guardian to be issued an online-only card, but a parent or guardian must give permission for a child 14 and younger to have an account. These cards will allow access to digital titles and databases but not physical items. The physical card will be held at the library for these patrons. If the patron wants to check out physical items, those **18** and over will have to bring in 2 forms of ID to verify their contact information. Those who are under **18** will have to be connected to the account of a parent or guardian's account (that is not online-only) in order to check out physical items. All other restrictions apply.

## Student Cards

These are cards that are assigned to teachers, tutors, or school librarians who request them. These cards are only known to us as accounts belonging to that teacher with no student information attached to individual accounts. The teacher assigns card numbers to students. These cards are primarily online-only with the caveat that a teacher can give permission for a student to check out up to 5 books on their assigned account. The Library will have to be notified either by the teacher or with a permission slip that the child is allowed to check out physical books. These cards expire at the end of the school year so that the teacher is able to reset the PIN numbers and reuse them for the next school year. All other restrictions apply.

## Friends of the Duncan Public Library Members

If a patron chooses to become a member of the Friends of the Duncan Public Library, staff will change their status on their card to FOL and these patrons will gain Friends of the Library benefits for one year from their join date. All other rules and regulations that apply to all patrons apply.

## Renewing a Library Card

After 5 years of use, a library card will expire. It does not need to be replaced to be renewed. When alerted by the circulation system, staff will check if the patron has any overdue or lost items, fines or

fees, and will ask if any of the patron's information needs updating. After these factors have been updated, staff will renew the card for another 5 years.

## Replacing a Library Card

An initial library card is free of charge. If a card is lost or stolen, the patron will need to replace it. There is a \$3.00 charge for a replacement card. There is no charge to renew an expired card or update information. To replace a card under someone else (a responsible party), the responsible party must be present.

## Loans

Loaning out items requires time limits, item limits, and reserve limits. The library will not be held responsible for any damage caused to a patron's equipment by library materials-such as, but not limited to, computers, DVD/CD players, video game equipment, etc. The application to obtain a library card will inform patrons of the copyright law regarding home use and that DVDs borrowed from the library are for private use only.

## Benefits to Friends of the Library Members

Library patrons who join Friends of the Duncan Public Library (FOL) will receive extended checkouts of one full week, including new fiction and DVDs. FOL members will be allowed to check out four DVDs per card instead of **three**. These privileges will last for one calendar year after joining FOL.

## Loan Periods

Most audiobooks, excluding New audiobooks

### **2 weeks**

Cake pans

Board games

Video games

### **1 week**

## Renewals

Patrons may renew any item twice, except for DVDs and video games. Items will renew for the amount of time as the original loan period. No item may be renewed if it has a reserve.

## Item Limit

Due to the limited number of items in its collection, the Duncan Public Library has placed restrictions on the number of items a person may have checked out on his/her card. **On the first checkout after receiving a card, each cardholder will be limited to 5 items.** If all items are returned on time and in good condition, regular card use will begin. If items are not returned on time and in good condition, fines and fees will be imposed and the 5-checkout limit will be extended to one month. After this, the director will assess the situation and determine a course of action, as with any other patron who consistently does not return items on time and in good condition.

Regular item limits total **30** items, in any combination of the following:

- **30** books
- 15 audiobooks
- **10** periodicals (newspapers, magazines, Cliffs Notes)
- **3** DVDs
- **2** Video games
- **2** Cake pans
- **2** Board games
- 1 Binge box (per household)
- 1 Hotspot (per household)

## Reserves

If an item is checked out, a patron may place a reserve on that item. The library will contact the patron when the item is available. The library will hold an item for three days. A patron may not receive a reserve book if that patron has any item overdue.

## Book Drop

There are two book drops, both of which can be used 24/7. One is located at the back of the building and is accessible by car. The other book drop is located at the front of the building behind the column, embedded in the brick wall. Only books shall be placed in the book drop on the building. Both books and other media may be returned in the designated drop of the drive-through book drop.

## Fines/Fees

### Overdue Items

Items that are not returned when they are due accrue fines. There will be a two (2) day grace period for all items. On the third working day, all fines will be charged.

A patron will not be allowed to check items out if that patron, or other individuals living in the same household or children linked to that patron, has items overdue for a month or more.

At no time will a patron's fine on an item exceed the default cost, or the cost of the item, whichever is greater.

A patron will be able to check out items until that patron's accumulated fine total is \$5.00. This will include any fines or charges on the card or cards of the patron's child or children.

The linked patrons will also be blocked if the total fines on the linked patron's and the main patron's card exceed \$5.00.

Note: Once money is received, the library will not reimburse the patron. If a patron contests a charge for a valid reason, the library director may waive the fine.

Items will accrue fines at the following rates:

**5¢ per day:**

Most items—see exceptions below

**10¢ per day:**

Audiobooks

New adult fiction

Periodicals (newspapers, magazines, Cliffs Notes)

**25¢ per day:**

DVDs

Video games

**\$2 per day:**

Board games

**\$5 per day:**

Hotspots

Binge boxes

### **Damaged/Lost Fees**

Often items are returned with damage or without all parts, and sometimes items are not returned at all. Damaged, missing, and lost parts accrue fees. The following fees will be charged to patrons who do not return items in good, complete condition:

**\$4.00:**

Lost/damaged magazine

**\$3.00:**

Replacement of library card

Lost or damaged audiobook case

**\$2.00:**

Damaged library plastic book cover

Cleaning fee for excessively dirty library items

**\$1.00:**

Lost or damaged DVD case

Lost or damaged circulation pocket

Lost hang-up bag for cake pans

**\$0.50:**

Lost/damaged barcode/spine label

Lost/damaged DVD insert

### Damaged Items

Damaged items show significant evidence of physical abuse, which shall include, but will not be limited to, the following: torn pages, extensive soiling, water marks, mold or mildew.

The library director will determine the damage fee by taking into consideration the replacement cost of the item, the extent of the damage, and the educational or historical value of the item.

Because audiobooks and DVDs have a limited shelf life, damage fees will only be assessed under the conditions that the item was clearly damaged through improper care or use, such as warping caused by the sun or other heat, damage caused from food or drink, and cracked or broken items.

### Lost Books

For hardback books, the patron shall be assessed the actual cost of the book or a default cost, whichever is greater. The default costs for adult books are **\$25.00** for fiction and **\$40.00** for nonfiction. The default cost of juvenile or young adult book will be **\$15.00**. If the item is still available in print, the patron may replace the item with an identical item.

For paperback books, the actual cost of a paperback will be assessed.

### Other Items

Replacement cost of other items will be assessed by utilizing various sources, such as catalogs, retail prices, and jobber prices.

Note: Lost items, if found, shall remain the property of the Duncan Public Library and shall be returned to the library.

### Binge Box Policy

Binge Boxes are a way for patrons to access favorite shows and movies without having to find them all individually themselves. Kits usually contain a set or collection of movies that fit a similar theme, genre, actor, setting, etc., such as 80's Favorites, Chick Flicks, Tom Hanks. Each Binge Box will contain 4 to 8 movies or shows. For fun, a bag of popcorn or candy may be added.

Binge Boxes will be behind the desk. Cards listing the Binge Box theme and all movies included will be on the shelf for people to bring to the desk to obtain the Binge Box and check it out. DVDs in Binge Boxes will be under Binge Box holdings codes so that they will only come up in the catalog as a Binge Box item and not as a single item to be checked out.

The following policies will apply to Binge Boxes:

1. Binge Boxes are available to Duncan Public Library cardholders. Online Only accounts may not check out Binge Boxes without converting to a regular account.
2. Binge Boxes can be borrowed for two weeks at a time. Renewals are not available.
3. One Binge Box can be checked out per household. Binge Boxes count as the household/patron's entire DVD check out. Not all household members may be connected, therefore, this may not be easily enforceable. A statement of "One per Household" will be on each Binge Box and will be stated to patrons when checking out. DPL will rely on an honor system. If a patron or set of patrons becomes a problem by checking out more than they are allowed, those patrons' Binge Box privileges may be suspended. Examples of when this might occur: two adults are living at the same address; a family where the second parent is not connected to the first parent and children.
4. If there is a DVD fine, overdue DVD, or lost DVD on the patron's library card, the patron will not be able to check out a Binge Box until the fee is paid, item returned, or item replaced.
5. The late fee for a Binge Box is \$2.00 per day until it reaches the replacement cost of the Binge Box.
6. The Binge Box replacement cost is \$75.00. If the patron would like to repurchase each DVD as a replacement instead, the fee drops to \$10 to cover the cost of the case and processing.
7. The Binge Box must be returned inside the library. Binge Boxes may not be left in the outside drop box. If a Binge Box is left in the dropbox, a \$2.00 fine will be added to the patron's account. This is in addition to the \$75.00 replacement fee should the box be damaged or lost.
8. Binge Boxes must be checked out and returned in their entirety. DVDs cannot be switched out for other DVDs. DVDs in the binge box are not available for individual check out. Binge Boxes will not be considered returned unless all the DVDs and cases are returned together.
