

Support the Library! ~Be a Sponsor~

What's the Library Doing?

As part of our 2023 theme-"All Together Now"- and our renewed community outreach efforts, the library has begun a project to bring beautiful flowers and a community presence to the library through sponsored flower pots cared for by ThinkAbility.

Where do I come in?

The Friends of the Duncan Public Library have generously funded the revamping of the landscaping and the flower pots themselves. Now we just need the flowers. By covering all or part of the cost of the flowers and upkeep, you are demonstrating your support of the library and your community!

What do I have to do?

All you have to do is write a check to the Friends of the Duncan Public Library, covering some or all of the cost of a pot's maintenance! Sponsors can add their names and business logos to our sponsors' poster for this project. Sponsors who cover the total cost of one pot will have a special sign added into their flowers!

Questions? We're happy to answer!

Call the library at 580-255-0636 and ask to speak to Jessica or send an email to dploutreach@duncanok.gov

I would like to sponsor an All Together Now Flower Pot!

NAME OF INDIVIDUAL, GROUP, OR BUSINESS

- Please apply my donation of \$_____ towards this project!
- I am contributing \$260 for the sponsorship of one whole flower pot for an entire year!
- Please check this box if this donation or sponsorship is in honor or memory of someone else. Please print their name below:
