

Fluvanna Library Nature Summer Activities

REGISTRATION REQUIRED!

Tree Hike and Learn
Wednesday, May 31
2-4 p.m.

All ages. Join us at the Fluvanna County Library as we learn from Virginia Master Naturalists about trees and their importance. We'll read about trees, go outside and walk the tree trail, and the children will complete a scavenger hunt worksheet which they can turn in at the Library for a prize.

Walk on the Wild Side
Wednesday, June 7
2-4 p.m.

Ages 8-12. Join Virginia Master Naturalists at the Pleasant Grove Museum for an interactive interpretative walk of Pleasant Grove trails. Bring water bottle and wear comfortable walking shoes - no flip flops please.

Backyard Birding for Children
Monday, June 12
9-11 a.m.

Ages 7 - 9. Join us at the Library to learn the basics of birding from Virginia Master Naturalists: bird ID by sight and sound, nest identification and how to welcome birds to your own backyard. Wear closed shoes and bring along a journal for sketching. Fun activities included!!

Bees and Bugs
Monday, June 26
9-11 a.m.

Ages 5 - 9. Join us at the Fluvanna County Library where we will learn about bugs and pollinators. We will build a bee box to place in the Park outside the Library.

Flutter-bys
Thursday, July 6
1-3 p.m.

All ages. Join us at the Butterfly Garden at Pleasant Grove Park where we will see, and learn about, butterflies and other pollinators and have a scavenger hunt for children.

To register, or for more information and questions please contact the Library: (434) 589-1400 email: fluvannalibrary@gmail.com. Sponsored by the Library, Master Gardeners & Master Naturalists.
