

## GET YOUR LIBRARY CARD

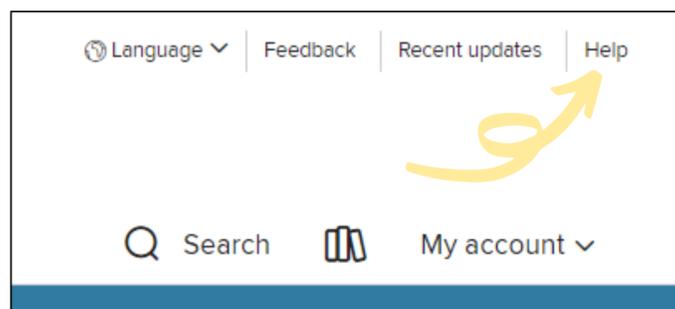

You will need a Fox Lake District Library card to access the Digital Library of Illinois. If you are a Fox Lake District Library area resident, visit the Main Circulation Desk with a valid photo ID and proof of residency within our district. If your photo ID has your current address, that's all you need!

If you have recently become a Fox Lake Library District resident, in addition to your photo ID, please present one of the following:

- Formal Lease/Rental Agreement
- Utility Bill (eBills Accepted)
- Auto Registration
- Property Tax Bill
- Insurance Policy
- Checkbook/Bank Statement
- Voter Registration Card

- Click on "Sign In" in the top right corner.
- Select **Fox Lake District Library** from the list of libraries.
- Enter your library card number & PIN (last four digits of your library card number).
- Enjoy books immediately online, download for offline use, or send to a Kindle device.
- If the book you want is checked out, place a hold, and you will get an email when it is available.

## KINDLE DEVICES

Kindle users need to follow these extra steps to enjoy ebooks on their devices:

- After hitting **Borrow**, choose the black box that says **Read now with Kindle**.
- You will be taken to Amazon.
- Selected your preferred Kindle device.
- Click **Get Library Book**.
- The next time your device syncs, your book will load on to your device!

## OVERDRIVE BASICS

Overdrive has thousands of ebooks and audiobooks available for our patrons through the **Digital Library of Illinois** (formerly MyMediaMall), a partnership with other public libraries in Illinois to offer a wider range of materials to Illinois residents.

Check out up to 5 titles and place up to 7 holds at a time. Books will automatically expire at the end of the check-out period. No returns are necessary and you'll never have to worry about fines!

Enjoy titles on a wide variety of devices - including on the go with the Libby app!

**Libby** is recommended for most users, and is compatible with the following types of devices:

- iOS
- Android
- Windows 10

**Overdrive** is the original app and is compatible with all the above devices and is recommended for **Kindle Fire** users.

## FAQS

- Can I renew a book?
  - Yes! If there are no holds on a title, you may renew a title 3 days before it is due. If there are holds, you will be offered the option to place a hold on the title.
- What happens when a book expires?
  - The borrowed items automatically return to the digital catalog.
- Can I return something early?
  - Yes! In your account, go to *Loans* (in a browser) or *Shelf > Loans* (in Libby). Then find the title you wish to return. When viewing in a web browser, hit the *Return* button at the bottom of the box and confirm. In Libby, hit *Manage Loan*, then *Return Early*, then *Return!* Your check-out count will instantly be adjusted.
- Can I change my check-out length?
  - Yes! In a web browser or the classic Overdrive app, go to *My Account > Settings*, then select your preferred check-out length for ebooks, videos, and audiobooks. In Libby, after tapping a title to borrow, tap the length of time above the book cover and select your preferred time period. You may select 7 days, 14 days, or 21 days for each item. Certain titles may have check-out periods that cannot be changed.
