## How does it work?

- You can borrow 5 items per calendar month.

- Loan periods vary depending on item type:

  * eBooks, Audiobooks, and Comics check out for 3 weeks

  * Music albums check out for 1 week

  * Movies and TV content check out for 3 days.

- Select "Borrow" to check out an item.

- Titles can be streamed immediately or downloaded for use offline (phones and tablets only).

- Items return automatically after the loan period expires; returning items does NOT increase the number that you can check out.

*Wi-fi connection is recommended for streaming/downloading. Data usage rates may apply. Downloaded items require appropriate storage space on devices.
