*Celebrating the People Who Made
Dolly's Dream Come True*

"I know there are children in your community with their own dreams. They dream of becoming a doctor or an inventor or a minister....The seeds of these dreams are often found in books and the seeds you help plant in your community can grow across the world."

—Dolly Parton

Dolly's vision is to foster a love of reading among preschool children and their families by providing them with a specially selected book each month. Watch the free online premiere of *The Library That Dolly Built* to find out how the Imagination Library grew from just a few books for children in Sevierville, Tennessee, to a worldwide program sending books to more than 1.7 million children every month.

Children under age 5 who live in Greenwood County are eligible to participate in the Greenwood Dolly Parton's Imagination Library program and receive a free, high-quality, age-appropriate book every month.
