Check all that you can and would like to do for the Friends:

- I would love to sit in the Friends Book Sale Room at least 2 hours a week, tidying the items on the shelves, meeting and assisting our lovely patrons and visitors.
- I love to organize and categorize books and media!
- I can work alone in the library's large clean basement storage room without windows, sorting new donations and library discards.
- I would prefer sorting donations with others.
- I'm good with computers, smart phones, tablets, and could potentially volunteer from home. (circle all that apply)
 - Social Media Google Docs spread sheets email/internet
 - Date book/scheduling budgets internet research auction listings
- I am real world social and would like to help out at library events; like concerts, ice cream socials, senior socials and any other program/event that the library would like some assistance.
- I would like to go to various community events, such as the Fox Lake Farmer's Market, to promote the Friends and the Fox Lake District Library.

- I love reading and can assist patrons and visitors to the Friends Book Sale Room with knowledge of my interests of the following: (circle as many as apply)

Fiction: classics, poetry, short stories, Sci-Fi, Fantasy, horror, mystery, thrillers, historical, romance, contemporary. Non Fiction: sports, health, cooking, history, military, science, true crime, travel, biography, art, music, photography, crafting, education, business, animals, nature, home improvement, graphic novels. I am familiar with children's books including Picture books, Board Books, Easy, Junior and Young Adult. I am familiar with various media such as audio books, DVDs, Blu-Rays, CDs, and Video Games.

- I'm crafty and not squeamish about cutting up, folding or marking on book pages, sheet music, old or unsellable books and magazines.

I am a (circle one) MORNING, AFTERNOON or EVENING person, and I can commit to a consistent weekly time of 1-3 hours per week. (You are welcome to volunteer more!) Best day(s) and time(s) for me would be:
