How To...

Download: To the right of every song title, you will see this  symbol. Once clicked, a dropdown menu will appear. Choose “Download Now” to save the song to your computer, phone, or tablet. You can also download music videos, each video download will count as 2 of your weekly music selections. **Please note, once you click the download button, even if by mistake, download credits will be deducted from account.**

Download to a Computer: After you have clicked “Download,” at the prompt, select Save and choose where you want to save the song. If you’re not presented with a prompt, try right clicking the link and choosing the option to save the link (i.e. Save Target As, Save Link As, or Download Linked File, etc.). This will let you choose where to save your song.
